24 HOUR
SANITIZING
WIPES

The first and only wipe
that sanitizes and protects
for 24 hours¹

¹ Sanitizes for 24 hours against Staphylococcus aureus, Enterobacter aerogenes, and Community-Associated Methicillin Resistant Staphylococcus aureus when used as directed on hard, non-porous, non-food-contact surfaces

Scott® 24 Hour Sanitizing Wipes

Providing Confidence Between Cleans

Most surface disinfectants work, but only for the moment. As soon as a surface is touched again, germs are back in action. The good news: Scott® 24 Hour Sanitizing Wipes maintain sanitized surfaces for 24 hours, killing 99.9% of bacteria – even after multiple touches.¹ For peace of mind, there is no better choice than Scott® 24 Hour Sanitizing Wipes:

- Scott® 24 Hour Sanitizing Wipes kill the virus that causes COVID-19^{††} and is included on Health Canada's list of disinfectants with evidence for use against SARS-CoV-2¹
- Cleans, sanitizes and disinfects
- Kills 99.9% of bacteria for 24 hours, even after multiple touches¹
- Bleach-free, no rinsing required
- Patented technology maintains a visible layer of surface protection to provide assurance that the product is delivering 24-hour sanitization²
- Drug Identification Number (DIN) 02431475³

How to use Scott® 24 Hour Sanitizing Wipes

The chart below outlines the contact time necessary to effectively kill various bacteria, viruses and fungi:

Contact Sanitization (non-food)

Wipe and let stand for **15 seconds** on surface

- Enterobacter aerogenes
- Staphylococcus aureus
- Community-associated methicillin-resistant Staphylococcus aureus

Immediate Surface Disinfection

Wipe and let stand for **6 minutes** on surface

- Coronavirus
- Influenza A virus (H1N1)
- Respiratory syncytial virus (RSV)
- Escherichia coli 0157:H7
- Klebsiella pneumoniae
- Salmonella enterica
- Staphylococcus aureus
- Streptococcus pyogenes
- SARS-CoV-2 virus^{††}

Residual Surface Sanitization²

Wipe and let stand for **5 minutes** on surface

- Enterobacter aerogenes
- Staphylococcus aureus
- Community-associated methicillin-resistant Staphylococcus aureus

Scott® 24 Hour Sanitizing Wipes – Canister

Code	53686
Color	White
Units/Case	75 wipes/canister, 6 canisters/case, 450 wipes/case
