

ICON™

The Kimberly-Clark Professional™ ICON™ Dispenser Collection

Experience roll towel, bath tissue and skin care dispensers
engineered to provide peace of mind.

Quick and easy customization

ICON™ dispensers feature first-of-their-kind interchangeable faceplates that snap into place so you can transform any space into a more welcoming environment – from maternity wards to religious institutions.

- **Add art.** Comforting and artistic imagery can help enhance the patient or guest experience.
- **Reinforce hygiene protocols.** Incorporate compliance messaging right on the dispenser.
- **Support a cause.** Promote your charitable campaign of choice with a heartfelt image.

Designer faceplate options

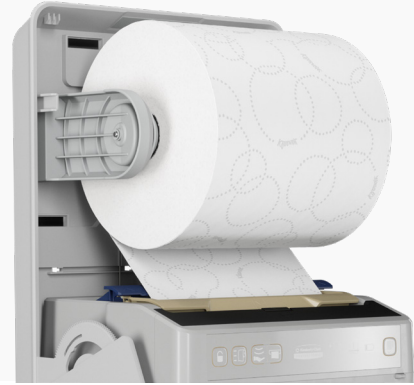

Embrace organic accents and emulate the healing power of nature with one of our 6 designer faceplates.
